## Seen & Heard Around Murray

In walks George E. Overbey with two fine Ryan Milk bottles. We now have a sufficiency, any more would be a superfluity. Fortunately George brought in the older model when it was just called Sunburst. The later bottles proclaimed All-Jersey.

Are going to have to build a long shelf to hold all these bottles. The wife gave her permission to build it at home, so we guess we will. Men, always get your wife's permission to do little things like this. It gives them that feeling of being longed.

The older we get, the more ignorant we realize that we are.

Our Viburnum Mariesi is doing fine. The leaves have turned bronze somewhat like the Ash.

Big Snails laid some more eggs. The bunch fell off into the water and they just don't hatch out too well when that happens. If you really want to know what

WASHINGTON (UPI) — The nation's unemployment rate dropped to 3.9 per cent in October from September's two-year high of 4 per cent, the Labor Department reported today.

The department said 2.8 million persons were looking for work in October, a drop of about 125,000 from September. The total of nonfarm payroll employment increased 190,000 to reach an all-time high of 71.2 million.

## Collisions Are Investigated By The Murray Police

Two traffic collisions were investigated by the Murray Police Department on Thursday. No injuries were reported.

The first occurred at 1:25 p.m. at 13th and Main Streets. Cars involved were a 1964 Chevrolet two door owned by Everett Carnal and driven by Anthony Deveryl Carnal of Poole, Ky., and a 1966 Chevrolet four door owned by Samuel G. Bell and driven by Mary Hutchinson Bell of Murray Route Four.

Police said the Bell car was going south on 13th and failed to see the Carnal car going east on Main Street.

Damage to the Carnal car was on the front end and left side and to the Bell car on the right side.

Chestnut and 12th Streets was the scene of the collision Thursday at 3:45 p.m.

Involved were a 1968 International driven by Donald Lynn Burd of Benton Route One and a 1970 Plymouth two door driven by Duncan Lee Wells of Jackson, Fla.

Police said Burd was going west on Chestnut Street making a left turn onto 12th Street when he failed to see the Wells car going east on Chestnut Street, according to the police report.

Damage to the Burd car was on the right front end and to the Wells car on the left front end.

## THE FAMILY LAWYER

May You Kiss the Driver?

When a passenger is injured in an auto accident, the law naturally considers whether the driver had been guilty of careless driving. But at the same time, it also weighs the conduct of the passenger himself. Had he too been guilty of negligence?

Take this case: A young man was out driving with a girl he had just met when she suddenly leaned over and gave him a kiss. Momentarily discomfited, he lost control of the car and smashed into a telephone pole.

The girl was injured, and later filed suit for damages. However, the jury decided she also was guilty of negligence—for taking the

young man's mind off his driving. In fact, a passenger may be held negligent not only for thoughtless acts but even for thoughtless words. For example:

Just as a car was nearing a dangerous curve, a passenger held up a bottle of beer and exclaimed: "How do you get this darned bottle open?"

This, too, was enough to divert the driver and cause a crackup. And it was enough, also, in a court room afterward, to pin a "negligent" label on the thirsty passenger. On the other hand, a rider need not sit in stoic silence. He has a right to assume that, despite minor distractions, the driver will show a reasonable amount of good judgment and self control.

Thus, in another accident case, the court could see no negligence in the fact that a girl passenger had been talking with her companion about where to spend the evening. Nor was it considered negligence, in still another case, for a woman to join the driver in singing a song. As one judge put it: "It cannot be said as a matter of law that she had any reason to expect the defendant would abandon all care in the operation of his car."

Old tires used to aid safety

KOBE, Japan (UPI)—Japanese engineers are using old tires in an attempt to reduce serious highway accidents.

Tires painted yellow are attached to concrete guardrails along curves on the Okufutabaki highway to absorb the shock of automobiles which strike the rails. The tires are placed side by side to form an unbroken rail cushion on curves.

ATLANTA (UPI) — Nobody gets a bigger kick out of football than Billy Lothridge of the Atlanta Falcons.

Best known for his kicking prowess even while an All-Star quarterback at Georgia Tech, Lothridge has a good chance to become the first man to win three National Football League punting titles since Sammy Baugh achieved that feat back in the early '40s.

Lothridge won the NFL punting crown in 1967 with a 43.7-yard average and repeated last year with a 44.3 mark. At present, with a 42.8 average, he's 1.7 yards behind this year's midseason leader, Ollie Cordill of the New Orleans Saints.

Kicks Well As Ever  
Lothridge said he is kicking the ball as well now as he ever has, "but I keep getting one bad punt a game. I've got to eliminate that."

Lothridge, now 27 and a six-year NFL veteran, came into the league as a punter and backup quarterback for the Dallas Cowboys in 1964, the year after he was runner-up to Navy's Roger Staubach in balloting for the Heisman Trophy.

A do-it-all quarterback at Georgia Tech, Lothridge still holds many of that school's season and career records. Injured during his rookie season with the Cowboys,

## PLANS FINALIZED

NEW YORK (UPI) — National Basketball Association Commissioner Walter Kennedy said Thursday that plans for expanding the league to 16 teams next season probably will be finalized at a meeting in Chicago early in December. The expansion committee first met June 4-5 of this year and the Chicago meeting will report on its progress since that time.

Lothridge was traded to the Baltimore Colts after the '64 season and sold by the Colts to the Rams before the '65 season began.

Hampered by his leg injury, Lothridge was ineffectual as a punter during the '65 season and was released by the Rams. When Atlanta was admitted to the NFL in 1966, the Falcons quickly signed Lothridge as a free agent.

Pressed Into Service  
Although he had a diseased kidney removed prior to the '67 season, Lothridge was pressed into service as a free safety midway through last season and did a credible job, intercepting three passes.

Although Falcons Coach Norm Van Brocklin doesn't like to risk his valuable punter, Lothridge still works out daily with the defensive unit and took part in contact drills before the regular season began.

"No, it doesn't bother me at all that I'm used only as a punter," Lothridge said. "I like to play, however, and I'm glad I'm available whenever, and however, I'm needed."

Lothridge, who lives just north of Atlanta with his wife and child, sells real estate, insurance and beauty supplies in the off-season.

## BOUT TELEVISED

NEW YORK (UPI) — The 15-round world middleweight title bout, scheduled Nov. 22, between champion Nino Benvenuti and No. 1 contender Luis Rodriguez, will be televised live via satellite by ABC's Wide World of Sports from 4:30 to 6 p.m. EST.

Clifford Ann Creed averaged two tournament victories per year before she retired from the women's professional golf tournament after six years of competition.

# Ohio State, Wisconsin Meet Saturday

By WILLIAM VERIGAN  
UPI Sports Writer

Unbeaten, united and untested. That's been the story of the Ohio State football team so far this season, and the next installment on Saturday promises more of the same against Wisconsin.

Not until the final two games of the season will the first-ranked Buckeyes meet any top-caliber competition, and if Wisconsin has any sign of an edge, it has to hinge on the possibility that the Ohio State players will be looking ahead to tougher days against Purdue and Michigan.

Ohio State's first six opponents have a total of only eight victories against 33 losses and one tie. Wisconsin goes into the game with a 2-5 record.

Eighth-ranked Missouri is the only team among the top 10 that appears to be in real danger this weekend as it meets Oklahoma. The odds-makers have tabbed Missouri only a one-point favorite.

Most of the top 10 teams are not even included in the betting line because they're such top-heavy favorites, but third-ranked Tennessee is a 21-point choice over South Carolina and ninth-rated Purdue is picked by 11 over Michigan State.

In off-the-board games involving the top 10, second-ranked Texas faces Baylor, fifth-rated Southern California takes on Washington, sixth-ranked Arkansas meets Rice and No. 10 Notre Dame plays Pittsburgh. Penn State (No. 4) and UCLA (No. 7) are idle.

Joe Moore of Missouri and Steve Owens of Oklahoma, both with a chance to lead the nation in rushing this season, meet head-on at Columbia. Mo, Moore has gained 904 yards on 184 carries in seven games, and Owens has 881 yards on 209 carries in six games.

Missouri pulled off a 41-38 victory over Kansas State last week, and Coach Dan Devine said the game might have taken something out of his team.

"We're a tired football team," Devine said. "Our big job now is to get those tired kids to bounce back and play an inspired game Saturday."

Oklahoma does not have an impressive rushing defense, yielding an average of 187 yards per game on the ground, while Missouri has given up only 112, and with neither team showing much passing offense that statistic could determine the game's outcome.

## COLONELS SET SCORING RECORD

By United Press International

Coach Gene Rhodes had a cryptic comment Thursday night after his Kentucky Colonels set a club scoring record by defeating the Denver Rockets, 145-119, in an American Basketball Association game.

"I'd like to have had a few of those points Wednesday night," commented Rhodes, referring to the fact that the Colonels dropped a double overtime decision to the Carolina Cougars 24 hours previously.

Even so, Rhodes had to be happy with a brilliant attack in which Louie Dampier, Gene Moore and rookie George Tinsley combined for 67 points. Dampier scored 26 points followed by Moore with 21 and Tinsley with 20. Larry Jones had 29 points and rookie Spencer Haywood 20 for the Rockets.

The victory moved the Colonels to within one game of the Eastern Division lead.

John Brisker scored 33 points as the Pittsburgh Pipers downed the Miami Floridians, 133-127, in Thursday night's other ABA game. Donnie Freeman scored 27 for the Floridians.

## TKES LEAD

CANBERRA (UPI) — Australian Bruce Devlin, shooting for the only major Australian title he has never won, fired a record-equaling five-under-par 67 Thursday and took the first-round lead in the Australian PGA tournament. Devlin's 67 tied Bob Stanton's course record.

Falcon stadium, home of Air Force Academy football team, is one of the highest football fields in the nation, located more than a mile, or 6,621 feet above sea level.

## Canadians Top Flyers 4-1

By United Press International

The roof caved in on the Philadelphia Flyers Thursday night.

The Flyers, who hadn't lost in 13 straight games at the Spectrum (where the roof was blown off last season), were beaten when the Montreal Canadiens exploded for three goals in the third period to record a 4-1 victory.

In the only other NHL game, St. Louis beat Detroit, 5-2. Philadelphia took the lead in the first period on a goal by Bill Sutherland but Yvan Cournoyer scored in the second period. Mickey Redmond, Claude Provost and Jacques Laperriere then scored in the last period to give Montreal the victory.

Red Berenson scored two goals and assisted on a third as the Blues stopped the Wings to snap their four-game winning streak.

Berenson broke a 1-1 tie in the first period and then notched his seventh of the season 69 seconds later to give St. Louis a comfortable lead.

NEW YORK (UPI) — New York is the leading horse racing state in the nation. In 1968, it held 1,331 days of racing and produced a total parimutuel handle of \$1.4 billion.

## Nicklaus Sets New Record At Hawaiian

By GORDON N. SAKAMOTO

HONOLULU (UPI) — First time, last time, anytime, it doesn't matter to Jack Nicklaus when it comes to golf.

The Ohio Golden Bear, who needs the \$25,000 first-place money in the \$125,000 Hawaiian International Open to raise his golf tour earnings to over the \$1 million mark, played the 7,020-yard Waialae Country Club course for the first time competitively Thursday and ripped it apart with a record-shattering performance.

He carded nine birdies over the par-72 oceanside layout for a 32-31-63 score to grab the first-round lead and better the Waialae record of 65, which was held jointly by Gene Littler and Lee Trevino.

Despite wind gusts of 30 miles an hour, 52 of the 144 golfers bettered par.

After 67s carded by Ken Still and Dave Stockton came Jack McGowan and rookie John Schroeder at 68.

One stroke back were Bill Johnston, Grier Jones, Randy Wolff and Larry Ziegler. Grouped at 70 were Arnie Palmer, Dudley Wysong, winner of the Hawaiian Open two years ago, Dick Rhyhan, Dave Gumila, Chris Blocker, Phil Rodgers, Lou Graham, John Levinson, Herb Hooper, Jack Cupit, Jack Rule Jr., Howie Johnson, Bobby Cole, Tom Weiskopf and Joe Carr.

Among the 16 players at 71 were Chi Chi Rodriguez, Gardner Dickinson, Doug Sanders, Masters champ George Archer, Bruce Crampton and this year's leading money winner, Frank Beard.

Tom Shaw and Gay Brewer were among the even-par crowd.

Defending champion Trevino, U.S. Open titlist Orville Moody and Billy Casper, who finished second in the Hawaiian Open the last three years, were at 73.

## Warriors Roll Over Cincinnati

By United Press International

Jerry Lucas returned to Cincinnati Thursday night for the first time since the Royals traded him and helped the San Francisco Warriors to a runaway 130-109 victory.

Lucas, who spent his first six professional seasons with the Royals, scored 19 points and had 11 rebounds, but it was Jeff Mullins' 13-point spurge in the first four and a half minutes of the second half which put the game out of reach for the Warriors.

Mullins finished with 26 points though he played only 23 minutes and Nate Thurmond helped the Warrior scoring with 25 points.

The victory moved San Francisco to within one game of Western Division leader Atlanta, which edged Chicago, 124-122, in the only other game scheduled.

The Bulls protested the game when Referee Jack Madden refused to allow the tying basket by Tom Boerwinkle with two seconds remaining on the clock because Madden said he had heard the buzzer before the shot.

Madden said he couldn't change his decision and after a consultation with the other official, Bob Rakel, ruled the basket was not good and the game was over. Rakel said he did not hear a buzzer.

Lou Hudson had given the Hawks' the lead with two free throws with five seconds remaining.

## MEETING POSTPONED

BOSTON (UPI) — American League President Joe Cronin Monday confirmed reports that a scheduled meeting of club owners in Cleveland this week has been postponed pending proposed sale of the Seattle franchise. No new date has been set for the meeting.

## SUCCEEDS SMITH

PORTLAND, Ore. (UPI) — Joe Etzel, an assistant coach for five years at the University of Portland, Monday was named head basketball coach to succeed Ernie Smith, who died last Tuesday of a heart attack. Etzel, a graduate of the school, also is head baseball coach.

## Versatile Performers

BLOOMINGTON, Ind. (UPI) — Cesar Tovar of the Twins and Bert Campaneris of the Oakland Athletics are the only two major league players in history to play all nine positions in a single league ball game.

The San Diego Chargers set club attendance records for the second successive year across the board, 303,188 for seven home games, 278,612 for seven road games and 581,800 for the 14-game league season.

Two bowl appearances have been made by the Air Force Academy football team, the first in the 1959 Cotton Bowl and second in the 1964 Gator Bowl.

# Murray State Closes Out Home Season With APSU

Murray State's Racers will close out their home season Saturday with Austin Peay, a team they haven't beaten in five years.

Murray beat the Governors 14-0 in 1963, the first year that Bill Dupes was head coach, but since then has lost 26-10, 23-6, 49-0, 37-20, and 56-35. Before Dupes became coach, Murray had won all four games played between the two schools.

Austin Peay has an overall record of 2-4-1 this season and an Ohio Valley Conference record of 2-2. The Gov wins have been over Western Kentucky 28-27 and Middle Tennessee 20-17. Their losses were to UT Martin 7-6, Eastern Kentucky 29-10, Morehead 29-18, and Arkansas A&M 14-13. The tie was with Troy State.

Murray has beaten Eastern Michigan, Morehead, and Southeast Missouri; lost to Tennessee Tech, Middle Tennessee, and Eastern Kentucky; and tied East Tennessee.

The Govs have the third-best defensive record in the OVC, having given up only 274.5 yards a game. Murray, on the other hand, has given up 318 yards a game. The Racers, however, are leading the league in offense with 377.1 yards a game while Austin Peay has an offensive average of 285.5.

"They've played well in every game," Coach Bill Furgerson said of the Governors, "but they've had lots of hard luck. They're a good, solid football team and we expect them to be as tough as anybody we've played."

Furgerson also said that after reviewing films of last Saturday's loss to Eastern, it was apparent that the Racers had played better than the 34-13 score would indicate. "Our running backs had perhaps their best game, linebacker Frank Head turned in a great performance, and Matt Haug, despite four interceptions, had a good day passing."

Haug leads the OVC in both passing and total offense and ranks among the nation's top 10 in passing. He has completed 117 of 230 attempts for 1617 yards and 14 touchdowns. He is the only passer in the OVC who has completed better than 50 percent of his attempts.

Four Murray players, Jimmy Harrell, Sam Tandy, Russ Hake, and Donnie Williams will be playing their last game on the home field. Harrell, a defensive back, is the Racers captain; Tandy, middle guard, was second team all-conference last year; Hake set a new Murray record for yards rushing last season, and Williams is a mainstay of the offensive line.

Saturday's game will begin at 2 p.m. The Racers will complete their season with road games at Evansville, Nov. 15 and at Western Kentucky, Nov. 22.

## COLLEGE CLEANERS

## Don't take orders from boss' wife

By Abigail Van Buren

DEAR ABBY: I am secretary to the owner of a small but successful business and have been for some time. I handle all the bills.

Recently my boss' wife called and asked me to send the office telephone bill home. She said her husband had unjustly accused her of making several costly long distance calls from the office and she wanted the bill to prove that she had not. Naturally I sent the bill to her.

Here's the hitch. My boss has had a girl friend for several years. She lives out of town and I know that he makes many long distance calls to her. [He doesn't know that I know about her.] I don't know if his wife suspects anything. She is a lovely woman. [His wife.]

Well, today my boss said, "If my wife asks for the phone bills again, please don't give them to her!" No further explanation.

What am I supposed to do now? I can't ignore the wife's requests. And I can't tell her that her husband doesn't want me to send the phone bills to her. I am Very Truly Yours,

IN A QUANDARY

DEAR IN: You are working for HIM—not HER. And no secretary who is as sharp as you appear could be so naive as to send the office telephone bill home to the boss' wife without first consulting the boss. It's almost as if you wanted his "lovely" wife to catch him in something. Don't take orders from anyone but your boss again, or for Christ-mas you're apt to get your walking papers.

DEAR ABBY: What ever happened to all those nice thoughtful ladies who used to offer their mailmen a glass of ice-cold lemonade in the summer, and a cup of hot steaming chocolate in the winter?

Even a glass of ice WATER would be nice, and it surely wouldn't break up anyone's budget. Would it now?

WALKING DRY

DEAR WALKING: Those "nice, thoughtful ladies" were our mothers and grandmothers, most of whom are gone now. You're right. It wouldn't break up anyone's budget, but it's not the money—it's the time that most homemakers are reluctant to spend. With all the new-fangled time-saving devices at milady's fingertips today, she seems to be too "busy" for the old-fashioned courtesies. Doesn't make much sense, does it?

DEAR ABBY: When will we learn the lessons of human behavior that abound in so much of Greek and Roman literature? The ancients were well aware of seduction, and the Bible treats it extensively. We on the other hand, pretend that sexual responses can only happen when and where they're ideally supposed to. All the while, police blotters and hospitals and institutional admissions reflect more than half of our crimes stem from wrongful passions and uncontrolled lust.

Seduction is seduction, and any sexily-clad female had better believe that ALL men into whose view she comes can be affected by her "teasing" attire as well as the ONE man she may be seductively dressed for.

Also, please know that it is because a man is NORMAL that he is aroused, not because the female displaying a lot of thigh or cleavage is built like Venus. She could be built like half a cord of firewood and still arouse his basic instincts. Unfortunately rape or the sex act are not always a man's responses to sexual provocations. A man exposed to an office full of sexily dressed women can go home and beat his fat, dumpy wife senseless as a way of relieving the tension he's been under all day.

Every woman who dresses to show too much of herself knows that she is teasing. And this goes for someone's 15-year-old daughter, or his 60-year-old grandmother.

U. S. ARMY NURSE [RET.]

CONFIDENTIAL TO HEARTBROKEN PARENTS:

From your letter I would say that you did your best. Now, quit punishing yourselves. Some parents "train up a child in the way he should go" . . . and out of sheer spite and rebellion, the child deliberately departs from it.

Everybody has a problem. What's yours? For a personal reply write to Abby, Box 69780, Los Angeles, Cal. 90069, and enclose a stamped, self-addressed envelope.

For Abby's new booklet, "What Teen-Agers Want to Know," send \$1 to Abby, Box 69780, Los Angeles, Cal. 90069.

## Mrs. Herning Is Program Leader At Hazel WSCS Meet

The Women's Society of Christian Service of the Hazel United Methodist Church held its general meeting at the church on Tuesday, November 4.

"Where The Need Is There We Go" was the subject of the program with Mrs. Mildred Herning as the leader.

Mrs. Koska Jones gave a talk on the "Study of China". Mrs. John McCullough reported on "Mexico" and Mrs. Lois Newport on "Calcutta". The Martha Day program was discussed by Mrs. D. N. White.

The chairman, Mrs. Lois Newport, opened the meeting and Mrs. D. N. White gave the devotion. The minutes were read by Mrs. Claude Anderson and the treasurer's report was given by Mrs. Mildred Herning.

During the social hour, refreshments were served by Mrs. Shellie Strader.

Jose Ferrer won the Actor of the Year award in 1950 for his performance in "Cyrano de Bergerac."

**"Try to be at peace with all men" (Hebrews 12:14).**  
We are forever talking of peace, but we continue to quarrel. We think we must fight. We demonstrate with hate and destruction as our motivating force. How shall I change it? What is my next step? How do I become a real peace maker? The Scriptures clearly give the message. "Thou shalt love thy brother." Then, if I am serious, I must answer. I must put love in place of hate. I must frankly face the fact that I actually hate or despise another man who also is a son of God. That is my sin. Immediately I must look into his life and discover some good I must love him.

Do not hate a Democrat, or Republican, or a Black man, or a White man, or a Jew, Catholic, or Protestant.

Other people love those guys, why can't I? I too must discover some good which I don't know about, if I am to set myself free of hate.

Then, I must seriously set out to live

## High School Workshop Is Set At MSU

Delta Sigma Rho-Tau Kappa Alpha forensic fraternity will sponsor the 22nd annual High School Debate-Discussion Workshop November 22 at the Murray State University.

J. Albert Tracy, coordinator of the workshop and chairman of the MSU speech department, reports that registration will begin at 7:30 a.m. in Wrather Hall on the campus.

Workshops in debate and discussion, as well as rounds in debate and discussion competition, are scheduled for the day's activities.

Schools may enter two teams in varsity debate, one team in novice debate, and one team in discussion. Each team must consist of four students. Novice debaters should not have had more than one year of experience.

Any number of high school students may attend the workshop and audit the sessions of their choice. Registration fee is \$1 for each student attending as an auditor or contestant. School faculty members and supervisors are not charged.

Judging of the competitors will be done by college faculty and qualified varsity debaters and graduate students.

After the general assembly in Little Chapel of Wrather Hall at 8:30 a.m., and a 9 a.m. faculty panel discussion of the debate proposition and discussion topics, the first of the three sectional meetings will begin at 10 a.m.

The debate proposition is "Resolved: That Congress should prohibit unilateral United States military intervention in foreign countries." All debates will be cross-examination and consist of eight minute constructive, three minute question periods, and four minute rebuttal speeches.

Discussion topic for Round I will be "What Should be United States military policy toward underdeveloped countries?" Topic for Round II is "What should be United States military policy in mutual defense agreements?"

The first sectional meeting will include two workshops—structure of a debate and structure of a panel discussion—and Round I of the varsity debate.

After lunch hour, from noon until 1 p.m., the second sectional meetings will start with Round I of the panel discussion, Round I of the novice debate, and Round II of the varsity debate.

At 2:30 p.m. Round II of the panel discussion, Round II of the novice debate, and Round III of the varsity debate will be held.

During the recognition assembly beginning at 4 p.m., awards will be presented to the schools accumulating the highest number of points in each of the competitions.

A debate trophy will be given to the school with the best combined won-lost record for their varsity and novice entries. The school with the highest combined total score will receive the discussion trophy.

The sweepstakes trophy will go to the school with the highest total number of points. To qualify for this trophy, a school must enter a minimum of eight students in the various sections.

In addition to trophies, certificates will be awarded to the top ten per cent of students in debate and in discussion.

Entries must be mailed by November 14 to Prof. J. Albert Tracy, Director of Speech, Murray State University, Murray, Ky 42071.

## John Bartholomy To Present Paper

John M. Bartholomy, director of the speech and hearing department at Murray State University, will present a paper to the American Speech and Hearing Association at the annual convention in Chicago November 12.

The paper is entitled "A Visual-Auditory Study of Occupational Group Listener Preference for Alaryngeal Speech."

Dr. Bartholomy, who joined the Murray State faculty last July, is currently working with laryngectomies (cancer patients who have surgically lost their larynx) in the Murray State speech and hearing clinic, teaching them to speak again on "burped air" or esophageal speech.

George Washington had three Secretaries of War during his two terms as President.

## Art Students Place Works In Exhibit

Seven art students and one art faculty member from Murray State University had work accepted into the recent Fourth Annual Hopkinsville Art Guild Pennyrile Exhibit.

The week-long exhibit, which took place last month, was sponsored by the Hopkinsville Art Guild and the University of Kentucky-Hopkinsville Community College.

Laurel Vogt, instructor in printmaking at Murray State, had her colored intaglio entitled "Programer" accepted into the show.

Murray State students and their entries are as follows: Chris Hansen, Ludlow Falls, Ohio, two lithographs; Fred Wood, Louisville, two etchings; Vikki Zellich, Louisville, engraving and lithograph; Mike Kirk, Louisville, lithograph; Jacqueline Warner, Murray, oil painting; David Metzger, Louisville, woodcut and etching; and George Schulman, New York City, oil painting.

Hansen received a first place award of \$50 for one of his lithographs, and Miss Warner won a \$25 second place award for her oil painting. Honorable mentions went to Kirk, Wood, and Miss Zellich.

Prize money totaling \$500 was awarded to winning entries in the categories of: oil painting; watercolor, casein, and tempera; prints, drawings, pastels, and serigraphs; and mixed media and collage.

Jurors for the exhibit were Dr. and Mrs. Siegfried Weng of Evansville, Ind. Dr. Weng is Director Emeritus of the Evansville Museum of Arts and Science.

## Impala's hidden persuaders:

## ① 350-cu.-in. engine

A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good ol' regular gas.

## ⑤ Inner fenders

Up inside every fender is another fender to protect against slush and mud and help keep your Impala looking young.

## ② Anti-theft column lock

A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.

## ⑥ Flush and dry

We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.

## ③ Aluminized exhaust system

It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to. Fair enough?

## ⑦ Full Coil suspension

Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.

## ④ Side guard beams

They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.

# Apollo 12 Astronauts Form Most Diminutive Crew Ever

By DARRELL MACK

SPACE CENTER, Houston (UPI) — The astronauts of America's second flight to the moon are graduates of the Navy Test Pilot School at Patuxent River, Md. They are a glamorous and fun-loving bunch as befits that mythic breed.

But it is all seriousness when Mrs. Charles H. Conrad, Richard F. Gordon Jr. and Alan S. Bean talk about their Apollo 12 space mission.

Together they form the most diminutive crew the United States has sent into space. Conrad and Gordon teamed up in 1966 aboard Gemini 11 to perform the first orbital docking of two spacecraft. Apollo 12 will be Bean's first space flight.

Conrad, who is in command of the flight, and Bean, pilot of the lunar lander "Intrepid," will land on the moon Wednesday, Nov. 19. Gordon will pilot the spaceship, which they have named "Yankee Clipper," and will remain with the craft in lunar orbit while Conrad and Bean walk the moon's surface.

Conrad is smallest of the three, standing 5-foot-6 inches and weighing 138 pounds. He is the smallest astronaut. Gordon is a little bigger at 5-foot-7 and 150 pounds and Bean is the tallest—5-foot-9 and also 150 pounds.

The names Conrad and Gordon go together in the space program, and not just because they flew the two-man Gemini 11 mission.

"Pete and Dick have been hanging around together for years, more than the other astronauts," a friend said. "They both came in from the same squadron in San Diego, Calif."

They both race boats, drive matching sports cars, love to party and are extremely competitive.

Conrad and Gordon came from opposite backgrounds. Conrad was born into a third generation family in Philadelphia's Main Line society. His father was an investment banker and his neighbors included a former secretary of the Navy and a secretary of defense.

He went to exclusive prep schools and to Princeton University.

Comes From Seattle

Gordon came from Seattle, Wash. His father died when he was a child and his mother taught school and put Dick through the University of Washington. Gordon, a left-hander, was an outstanding golfer in college and was good enough to be a semipro pitcher in baseball.

Conrad, who took up flying at 14, joined the Navy after graduation in 1953.

Bean, youngest of the crew at 37 (Conrad is 39 and Gordon is 40), grew up in Fort Worth, Tex., and went to the University of Texas. His father said Man has been interested in flying since he was a toddler.

On his 17th birthday, even before he graduated from high school, Bean wanted to join the Naval Reserve at Dallas Naval Air Station. His mother wouldn't sign the papers, so he persuaded his father—a veteran of World War II—to sign.

After receiving an aeronautical degree, Bean became a

Navy test pilot. At one point he had to decide whether to apply for the astronaut program or become a member of the Blue Angels, the Navy's jet aerobatics team.

Accepted in 1963

Bean was accepted as an astronaut in October, 1963, a member of the so-called third astronaut class along with Gordon, Apollo 11 spaceman Michael Collins and others. Conrad became an astronaut in 1962.

Bean has waited six years for his first chance to fly in space. Jane Conrad, wife of the Apollo 12 commander, is the daughter of a Texas cattle rancher who is remembered from her girl's prep school day for riding and jumping horses bareback and barefoot and her ability to draw.

She has done portraits of the four Conrad boys—Peter, 14; Thomas, 12; Andrew, 10; and Christopher, 8.

Jane met her future husband while he was at Princeton and she was attending Bryn Mawr, a woman's college in the Philadelphia Main Line.

Met At College

Gordon and Bean also met their wives at college—Gordon saw Barbara on a golf course and Bean first encountered Sue at a gymnastic meet.

The Gordons have six children, more than any other of the 52 astronauts. They are Carleen, 15; Richard III, 14; Lawrence, 11; Thomas, 10; James, 9; and Diane, 8.

Sue Bean, a native of Dallas, Tex., is a beautiful platinum blonde whose wardrobe is as elegant as the furnishings of her house.

The Beans have two children, Amy Sue, 6, and Clay, 13.

Bean and Gordon live within six blocks of each other in Nassau Bay, an unincorporated community across the street from the spacecraft center.

Conrad lives in an unpretentious home about eight miles away in Timber Cove, the first new subdivision built near the space center.

## Job Openings In FBI Announced

The Federal Bureau of Investigation is accepting applications for clerical workers, both male and female, at a starting salary of \$4360 annually. No typing ability is required and the only test is a 20-word spelling test. The jobs are in Washington, D. C.

After 90 days of satisfactory employment, employees' salaries are increased to \$4900, and additional increases are given in another six, nine and twelve month intervals, so that at the end of 30 months an employee can be earning \$6882 annually.

If an applicant can pass a typing test of 45 words per minute the starting salary is \$4917 and \$5522 for those who can also pass a shorthand test of 80 words per minute.

Applicants must be United States citizens, high school graduates, and at least 16 years of age. No previous experience is required. Each applicant is investigated to insure only those of satisfactory character, reputation and loyalty are obtained. Persons interested in applying should contact the FBI at P. O. Box 1467, Louisville, Ky. 40201, or P. O. Box 126, Paducah, Ky. 42001, or call Paducah telephone number 442-8050.

We plan to plant a Sweet Gum on November 11. We'll put it where the Sugar Maple pooped out.

The frosts we have had over the past two or three days are killing frosts and soon there will be little green left. We still have some Salvia left, some small blooms on the Hibiscus, and Coleas. The Summer Poinsettia was struck a killing blow however and its reds have faded into fallow pinks and grays.

We sure hope our Muscadine lives.

The Republicans claimed a victory this week and the Democrats proclaimed they won. It's a nice election when everybody wins.

If you have a dog or cat you do not want, don't drive out some road somewhere and dump it out to fend for itself. Just call us and we'll run a little story on the fact that you wish to give it or them away free, and we'll run it. Usually a person gets more calls for the pets he wishes to give away, than he has pets to give.

A minimum compassion on these animals will prevent dumping them. A small dog or cat is removed from the familiar surroundings of home, the voices he has grown accustomed to, the food that he is supplied with, the place where he sleeps and finds a sense of well being and security, the manifestations of love and affection. Call us and we'll find them a home.

## Countdown

(Continued From Page One)

set to start at 7 p.m. Saturday, but launch director Walter J. Kaprynan took advantage of trouble - free preparations and advanced the start to today. A 31-hour rest period was added to the schedule for Saturday to eliminate the need for overtime for many launch workers.

Special ship for special herring

SANDEFJORD, Norway (UPI)—The former Norwegian whaling factory ship Thorshovet will be rebuilt into a fish processing ship to catch a special type of herring, the pilchard, off the South African coast. The pilchard is used as raw material for fishmeal and fish oil. The expedition, financed by a joint Norwegian-Swedish enterprise, is expected to start operations early in 1970.

Ohio's aerial contribution

COLUMBUS, Ohio (UPI)—Ohio claims the honor of being the birthplace of three pioneers in the air and beyond.

Orville and Wilbur Wright conducted pioneer experiments in aviation in their Dayton, Ohio, bicycle shop before making the first successful powered glide-plane flight at Kitty Hawk, N.C., in 1903.

Neil Armstrong, the first human to set foot on the moon, was born in Wapakoneta, Ohio.

Double benefit

ALBANY, N.Y. (UPI)—New York State's regular drivers' vision examination not only helps traffic safety but the eye sight of motorists, according to the state Motor Vehicle Department.

Under state law, a driver must undergo an eye test once every three years before his permit is renewed. In one sample, the department said, 22 per cent of the drivers had to get glasses or have their prescriptions renewed before they could see properly.

## Mr. Harrison

(Continued From Page One)

cars collided on the parking lot, according to the police report. Mr. Harrison was taken to the Murray-Calloway County Hospital where he was pronounced dead on arrival. Mr. Dickerson was reported not hurt in the collision.

The deceased was born September 7, 1896 and his parents were William W. Harrison and Alice Gregory Harrison. He was a member of the Methodist Church.

Survivors are three sons, Damon Harrison of Frankfort, William Harrison of Detroit, Mich., and James Harrison of Ossian, Ind.; three sisters, Mrs. Reba Beasley and Mrs. Willie Ward of Murray, and Mrs. Ruby Love of Benton; ten grandchildren; several nieces and nephews.

Funeral services will be held Saturday at ten a.m. at the chapel of the J. H. Churchill Funeral Home.

The body will then be taken to the Harris Funeral Home, 15251 Harper Avenue, Detroit, Mich., where it will lie in state from two to nine p.m. on Sunday and all day Monday. The funeral there will be held Tuesday morning with burial in the Mt. Olivet Cemetery in Detroit, Mich.

Friends may call at the J. H. Churchill Funeral Home.

### Homesickness cure

MADRID (UPI)—More than two-thirds of Madrid's 3 million inhabitants were born outside the capital. To keep from getting homesick for the provinces, they have organized 24 "casas regionales" (regional houses) where they meet, play musical instruments, drink country wine and sing the praises of life in the unhurried pueblo.

## Next Week's TV Programming Depends On Apollo 14 Moonshot Set For Friday, 14th.

By JACK GAYER

NEW YORK (UPI)—Part of the week's television network programming depends on whether the Apollo 14 moonshot begins as scheduled the morning of Nov. 14.

As usual, the nets will give extensive live coverage to the lift-off and televise numerous reports through the scheduled splashdown date, Nov. 24. Live coverage of the lunar landing and two moon walks is planned for Nov. 19 and 20.

NBC is up to its antennae in entertainment specials. Headliners of some include Julie Andrews, Harry Belafonte, Bill Cosby, Johnny Carson, Diana Ross and Jonathan Winters. CBS broadcasts the finals of the Miss Teenage America Pageant Saturday night. On the same date ABC airs a night college football game as well as an afternoon contest.

Highlight details Nov. 9-15:

### SUNDAY

Britain's Prince Philip is the guest on NBC's "Meet the Press."

"Wild Kingdom" on NBC repeats "Beneath Killmanjaro," a report on marking animals in East Africa to study migration habits (rescheduled from Nov. 2).

"Every Dog Needs a Boy" is the fare on ABC's "Land of the Giants." The earthlings take great risk in seeking treatment for their injured dog from a giant veterinarian.

"Mission: Impossible" on CBS has an episode in which the team has to prevent destruction of a secret formula vital to America's missile defense system. Anne Francis is guest star.

### MONDAY

On "Gunsmoke" on CBS humorous episode in "The Still." Hillbilly relatives of a Dodge City girl hide a moonshine still and a stolen prize bull in the cellar of the school where she teaches.

Carol Channing is guest star on NBC's "Rowan and Martin's Laugh-In," playing in sketches about the world's richest couple and a former child star involved with the United Nations. "NBC Monday Night at the Movies" screens "The Pink Jungle," starring James Garner.

"Love, American Style" on ABC has three stories: "Love

And Take Me Along," "Love And The Advice Givers," "Love and The Geisha," with Ozzie and Harriet Nelson, Les Crane, Tina Louise, Aldo Ray and Red Buttons as guest stars.

### TUESDAY

Maurice Evans and singing star Oliver are guests on Red Skelton's CBS show the big sketch has the San Fernando Red character running a crooked trading post in Alaska.

ABC's "Movie of the Week" offers "The Spy Killer," another of the new films made especially for television. Robert Horton, Jill St. John and Sebastian Cabot head the cast of this tale of a former British secret agent whose life is threatened when he gets involved in a plot centering around a mysterious notebook.

"NBC Tuesday Night at the Movies" screens "Boy, Did I Get a Wrong Number!" starring Bob Hope.

### WEDNESDAY

"The Glen Campbell Goodtime Hour" on CBS features Tony Randall, the Lennon Sisters and Willie Nelson.

NBC has a lineup of four consecutive specials that preempts "The Virginian," "Kdrt Music Hall" and "Then Came Bronson." The first is a half-hour animated comedy called "Hey, Hey, Hey — It's Fat Albert," in which comedian Bill Cosby voices a football antic involving some of the characters he has created in his monologues. NBC has a special starring Johnny Carson in a series of comedy sketches in which he is assisted by George C. Scott, Maureen Stapleton, Marian Mercer, Johnny Oldson and Bud Robinson.

"The ABC Wednesday Night Movie" screens "Rage," starring Glenn Ford and Stella Stevens.

### THURSDAY

"The Grand Alliance" is the tale on NBC's "Daniel Boone." Cesar Romero is guest star in the role of a Spanish pirate involved in trying to thwart a plot to take over the United States. "The CBS Thursday Night Movies" screens "Mister Buddwing," starring James Garner. "Payoff in the Piazza" is the fare on ABC's "It Takes a Thief." Monday runs into trouble from an old friend when he is assigned to locate a missing queen consort.

### FRIDAY

The Apollo 14 liftoff for the

moon flight is scheduled for approximately 11:22 a.m. at John F. Kennedy Space Center, Fla. The networks will begin covering the event about an hour before. Plans call for live telecast from the space craft.

"The Name of the Game" on NBC has Steve Forrest as guest star. An Army officer who challenges a magazine writer to submit to prisoner-of-war training in the latter's investigation of brutality charges hides a dangerous secret about his past.

ABC's "Here Come the Brides" has "The Legend of Big Foot," a legendary creature, half-animal, half-man, haunts the people of Seattle.

"The CBS Friday Night Movies" screens "Penelope," starring Natalie Wood and Dick Shawn.

### SATURDAY

Jackie Gleason's CBS hour is devoted to a new full-length "Honeymooners" musical. The Kramdens and Nortons have an Hawaiian adventure as Ralph and Ed continue their travels to promote the song they wrote.

"NBC Saturday Night at the Movies" screens "The Fortune Cookie," starring Walter Matthau and Jack Lemmon.

ABC preempts "The Hollywood Palace" for the Notre Dame - Georgia Tech football game in Atlanta.

CBS preempts "Mannix" to present for 90 minutes finals of the Miss Teenage America pageant in Fort Worth, Tex.

Informal sources said similar agreements are expected with Bulgaria and Czechoslovakia.

## Nursing Students Tour Base

By T-SGT Joe C. Skinner

On Oct. 17, 1968 at 0520 hours (5:20 a. m.) when the morning air was crisp and cool at Murray, eighteen MSU nursing students and Miss Ruth E. Cole, nursing director departed MSU campus aboard a blue air Force bus driven by Master Sergeant Ralph Bowman, head of Scott Air Force Base, Ill.

This trip had been planned by Miss Cole and Technical Sergeant Joe C. Skinner local Air Force Recruiter, for some time and now it's in progress. The blue bus stopped in front of Scott AFB, main gate at 1015 hour, 4 hours 55 minutes after departing MSU. The guide from Scott came aboard the bus and we began another ride, but for only about 3 minutes. We pulled up in front of a large tall concrete building with large lettering "U. S. A. F. Medical Center". We entered the Medical Center and was greeted by our medical center guide, technical Sergeant White of Hopkinsville, Ky. after a briefing about the size and many interesting factors about the operation of the Medical Center we were shown through several wards and the nursery. At 1130 hours we were all ready to eat, and eat we did in the Medical Center dining hall.

After dinner we were back on the bus again, this time when we got off we were to see things which really touched our hearts.

We were driven to the Air Force flight line where we watched a huge C-141 aircraft taxi up to within 100 yards of our bus. After all baggage was unloaded of their cargo, men on the aircraft to observe the unloading of their cargo, men on stretchers being loaded into ambulance buses for a short ride where they would stay for a short while before being flown to a military hospital close to their home. After the unloading of the patients was complete we were taken to the casualty staging area. It was an old W. W. II wooden hospital which was used to house and care for a patient for up to 72 hours maximum. We were told a patient usually stays here until 6 o'clock the following morning and he is flown out.

Our tour through the wards was an experience that will be long remembered in our hearts and minds and in the minds of the patients we talked with. Three of the patients were to be flown to Fort Campbell, Ky. They were from Tennessee. They will remain there until they have recovered.

We were late for our next appointment but to try and get the students away from these men was not an easy task. Our guide called and had our appointment rescheduled for 30 minutes later.

We finally got the students out of the wards and on our way to see some more of this place called an Air Force Base.

We were briefed on the operation of the Medical Aero-evacuation Unit and told of some of the things they do, besides flying military patients and dependents from overseas to the U. S. If a patient is critically ill and he or she needs to be moved to receive the necessary care or treatment to save life, limb or to stop complications an aircraft would be airborne within an hour to move the patient no matter what his status might be military or civilian.

After the briefing we were shown through the Air Force hospital plane, built especially for patients, the C-9 called the "Nightengale", this was quite an exciting event since several

**Traffic toll up in Texas**

**AUSTIN, Tex.** (UPI)—Traffic deaths on Texas highways are running 5 per cent ahead of last year, according to the Department of Public Safety.

The department said 1,787 persons have died on the state's highways so far this year, compared with 1,700 in the corresponding period of 1968.

Mothers enjoying the trip with the classes and teachers were: Mrs. Vernon Underwood, Mrs. Frank Pool, Mrs. Charles Thomas, Mrs. David Steele, Mrs. James Ransom, Mrs. L. J. Hendon, Mrs. Rainey Elkins, Mrs. Robert Hopkins, Mrs. Jerry McConnell, Mrs. Haskel Smith, Mrs. Mitchell Story, Mrs. J. B. Taylor, and Mrs. Robert Kimball.

**This used car is guaranteed 100%.**

**VW**

\*The dealer guarantees 100% to repair or replace the engine, transmission, rear axle, front axle assemblies, brake system, electrical system for 30 days or 1,000 miles, whichever comes first.

### How to spot a beauty.

It's easy.  
Go down to your local Volkswagen used car lot.  
And look for a car with a big blue and white sign in the window.  
Like the one shown above.  
Only a car that's passed our rugged 16-point inspection earns this 100% guarantee.\*  
This states that for 30 days or

1000 miles, whichever comes first, if anything conks out that the guarantee said wouldn't conk out, we'll fix it free.  
Including replacements, parts and labor.  
So now you know how to spot a beauty.  
The cream of the crop.  
A car that won't turn into a beast.

LOS ANGELES (UPI)—Tangerines, which are neither round nor oval, are known in many parts of the world as "flat oranges," according to Sunkist Growers.

### School shortage in Mexico

MEXICO CITY (UPI)—Slightly more than 3 million children between six and 14 years of age are unable to attend school in Mexico because of a shortage of classrooms, according to a survey by the Federal Education Department.

## Benton Meet Planned By Area Oilmen

Benton, Ky. — Oilmen from 14 counties comprising the Kenlake District of the Kentucky Petroleum Council will meet here Wednesday, November 12, 1969, for a review of the effects of national developments on the motoring public and the travel business.

The announcement was made by F. C. Heerde, Benton, district chairman for the Council.

### Principal speakers at a 6:30 p.m. dinner at Mr. Bill's Restaurant will be C. W. Stoll, chairman of the Council, and John W. Fish, director of public relations for the Council.

Heerde said that the meeting is open to everyone in the oil business and related fields. He noted that the oil industry is, this year, celebrating the 150th anniversary of commercial oil production in Kentucky.

Counties in the district are: Ballard, Caldwell, Calloway, Carlisle, Christian, Crittenden, Fulton, Graves, Hickman, Livingston, Lyon, Marshall, McCracken and Trigg.

### Litter law

TAIPEI, Taiwan (UPI)—Litterbugs better either change their habits or avoid the capital of Nationalist China. The American Automobile Association warns tourists to dispose of litter in trash cans since such crimes as littering or polluting the air carry with them penalties ranging from hefty fines to life imprisonment.

Spruce Up  
Good grooming week starts November 16, says the National Institute of Drycleaning.
